

# The best way to pay for business equipment

## Why FlexiRent?

### FAST AND EASY APPROVALS

Quick approval means your equipment can make a difference to your business faster.<sup>3</sup>

### CONSERVE YOUR CASH

Invest your working capital in other value adding assets that generate a profit.

### LOW MONTHLY PAYMENTS

Affordable fixed payment plans tailored to suit your business needs.

### 100% TAX DEDUCTIBLE

Payments for business equipment can be up to 100% tax deductible.<sup>1</sup>

### BUNDLE AND ADD

Bundle your equipment, furniture, POS, warranties, fit-outs and installation all into one agreement.

## Choosing the right type of lease to suit your needs

FlexiRent Finance Solutions offers two types of lease agreements – Operating Lease and Lease-to-Own. Choose the lease type with the benefits that suit your equipment needs.

	Type of Assets	Tax Benefits	Equipment and Payment Protect	Upgrade	End of Term options
Operating Lease	Depreciate quickly	100% tax deductible <sup>1</sup>	Can be added to equipment leased	Upgrade at the end of lease agreement	Flexible options at the end of your contract allowing you to extend
Lease-to-Own	Retain value over time	Interest and depreciation can be claimed	Can be added to equipment leased	Get a new contract at the end of lease term	Ownership transfers to you after the last payment is made

## Add cover to stay protected

### PAYMENT PROTECTION

Add Payment Protection so we can cover your payments in the event of involuntary unemployment or should the worst happen to you.<sup>2</sup>

### EQUIPMENT PROTECTION

For a low monthly cost Equipment Protection will cover your equipment in the event of loss, theft or accidental damage anywhere in New Zealand and Australia. We also cover you for 28 days while you're on a trip overseas.<sup>2</sup>

**Apply today**

**1**

### CHOOSE
